BLENDED LEARNING PUBLISHER SHIPS MUCH ANTICIPATED RELEASE 6

Bedford, New Hampshire Nov. 15 2004: 4D Technologies, a leading producer of training and support videos for CAD users, is pleased to announce the release of new and updated products for Autodesk® 2005 product line users.

AutoCAD 2005 Update CBT, AutoCAD with 2005 Update, Inventor 9 CBT, Architectural Desktop 2005 Update CBT and ADT with 2005 Update continue the tradition of professional video training with an added bonus for this release. For a limited time and in partnership with Thomson Delmar Learning®, each product includes a disk based version of a relevant current Autodesk Press® book.

Using AutoCAD 2005, Basics and Advanced, Inventor 9 Essentials Plus and Mastering Architectural Desktop 2005 are among the bonus books included with the various CBTs. See web site for details.

Visit 4Ds booth at Autodesk University, 11/30 - 12/03/2004, Las Vegas
